

**Gary D. Willson**

**Mr. Gary Willson is Director, Government Affairs West with Newalta Corporation a national industrial waste management and environmental services company. During his thirty plus years of community and environmental planning, he has been involved with a variety of planning projects throughout Northern, Western and Central Canada. An understanding of what people value in their environments and why, and how this can be respected in the decisions we make and the projects we undertake, continues to be a common thread to all of his work.**

**Gary is an active member of the Canadian Institute of Planners currently chairing its Awards Jury and a certified trainer with the International Association for Public Participation (IAP2). A Past President of the IAP2 International Board, he has also been actively involved with the Environmental Services Association of Alberta and the Alberta Association Canadian Institute of Planners.**
