

## Immigration Hall Opens

The Alberta Real Estate Foundation is proud to have been a supporter of Hope Mission in the redevelopment of Immigration Hall, a historically designated site near downtown Edmonton.

The Alberta Real Estate Foundation's contribution of \$100,000 has helped to provide 44 permanent affordable and supported housing units for the disabled, the chronically homeless, and those at risk of becoming homeless. Responsibility and accountability are held in high standards and everyone living there will be paying rent, as well as respecting their property and their neighbours.

Les Phillips, Chair, Alberta Real Estate Foundation)*

This is one of the many affordable housing projects to which the Foundation contributed during the days of the heady real estate markets of 2007-2008 when the problem of homelessness became painfully evident in Alberta. The Alberta Real Estate Foundation continues to fund affordable housing projects through partnerships with the REALTORS® and funding of energy efficiency innovation in affordable housing construction.
